Children's House- Summer 2008

Welcome New Friends!

Thank you for your interest in Brevard Montessori School (BMS). BMS is an alliance of families and teachers working together to provide the community with a specially prepared environment. Our Summer Camp program is geared to the size, pace, and interest of children between the ages of three and seven years of age.

Our programs are designed to cultivate the child's own natural curiosity and love of learning, as well as, enable each child to more fully develop his/her potential. It is the pledge of BMS to be philosophically based in the Montessori Method and maintain a learning environment that will meet the physical, social, emotional, and intellectual needs of the child.

Attached you will find summer program information. If you have any additional questions, please feel free to contact me.

Summer camp class size will be limited. We ask that the summer enrollment forms and tuition be submitted before or on April 20th. Classroom positions will be filled first come, first serve. Your child's space *will not* be reserved until you have (1) submitted your child's tuition along with (2) a completed / notarized set of enrollment forms and all required health records. We will not accept one without the other. *Our ability to offer Summer Camp will be determined by the number of students enrolled.*

We look forward to working with your child.

Sincerely,
Sandy McDonald
Head of School / Montessori Directress

BREVARD MONTESSORI ADVENTURE THEMES FOR SUMMER 2008!

Creepy, Crawling Critters: Session A

Buzzzzz. The buzz about town is this will be a fantastic adventure full of wonder and beauty. Discover the insect world and go on a butterfly and insect hunt.

Around the World in Ten Days: Session B

Adventurers will explore such exotic locations like Kenya, China, Brazil, and Mexico! We will learn about everyday life, clothing, food, and unique habitats and traditions from these amazing places.

Wild, Wild West: Session C

Welcome to the wild, wild, west. Step back in time as we explore the wonders of the old west. Try your hand at a cowboy/cowgirl lasso and even go searching for gold!

Dino Days: Session D

Take a trip back in time. This adventure takes us to a time where dinosaurs ruled the earth. Adventurers' delights may include making dinosaur footprints and creating our own fossils!
